

# SWISS SOCIETY FOR PHOTOCHEMISTRY AND PHOTOBIOLOGY

## *Conference Fellowships*

The Swiss Society for Photochemistry and Photobiology (SGPP) invites applications for fellowships of up to 800 SFr to assist graduate students and postdocs who work at Swiss research institutions in the fields of photochemistry, photobiology, or photophysics and who want to present their work at international conferences and related scientific events in the summer or fall of 2004. A contribution of the applicant's home organization and/or the applicant him or herself is expected.

Applications for the conference fellowships should include a cover letter stating name, location, time and purpose of the conference (1 page), an estimated budget (1 page), and an abstract of the work to be presented (1-2 pages). Applications should be mailed until June 31, 2004 at the latest to the address below, or by e-mail attachment to [Thomas.Bally@unifr.ch](mailto:Thomas.Bally@unifr.ch)
